

EXPERT ADVICE to ensure
you pay the correct amount
of tax.

Are you working via an Agency or Umbrella Company? If so you should speak with us.

Why are we different:

- We work with clients throughout the whole year.
- We don't charge by hour and we don't complete timesheets.
- All fees are transparent and fixed in advance - so you know the total cost upfront.
- Fees can be paid monthly to avoid a large annual bill.
- We're available to take your call, if we miss one, we return it within 24 hours.
- Our proactive approach enables our advice to be based on future projections, not historic numbers.

What our clients think...

"I was with a large "specialist" contractor accountant but felt I was not really well looked after and was just 1 of a 1,000 clients on their list and felt like I was dealing with a call centre style approach. I approached Avery Martin after a recommendation from a work mate and wanted someone with a more hands on approach... Their service represents great value for money and I have since recommended others to them." Beverly Adams
